Called Bridgeway
"home"

"The women I met while living at Bridgeway became my family. I was accepted at my lowest point in life. It was a safe place while I worked on myself. I was provided with the tools and resources I needed to do better and be better. While residing at Bridgeway, I secured employment, got a vehicle, saved money, paid debts, got custody of my daughter back, and grew confidence and motivation. I'll always have a special place in my heart for Bridgeway".
