Pictured is the Scarecrow Festival. With generous support, we were able to launch a mentoring program between Bridgeway graduates and current residents.

Letter from the Executive Director:

REFLECTIONS ON 2022: **FOCUS**. Looking back, it's hard not to acknowledge real feelings of compassion fatigue for so many reasons – illnesses, staffing shortages, inflation, social inequality and more. SCIO has continued to impact people, grow programs, and collaborate with the Sheboygan community despite these broader challenges.

I am learning to trust the process. After three and a half years, this is still a challenge. The SCIO team is **FOCUSED** and engaged, and I am so grateful to be surrounded by professionals who think creatively and make connections in new and meaningful ways. We are making some shifts to better align with community needs, which is incredibly exciting for me! This will also allow me to **FOCUS** on strengthening partnerships and exploring new opportunities.

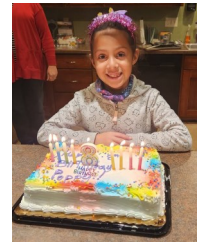

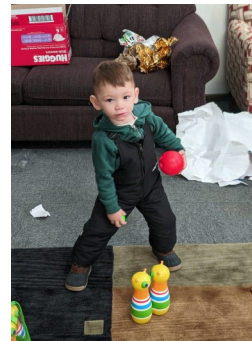

Thank you for taking some time to review the accomplishments of SCIO in 2022. This community continues to bless us with many needs: volunteers, financial and in-kind donations, expertise, networking, and referrals. Please know we could not do this work without you! We hope you will celebrate with us as we close out a successful year #33.

In partnership and collaboration,

Lisa Stephan
Executive Director, SCIO
