Celebrating 35 years of community and connection, the SCIO Farmers Market has grown into a vibrant hub featuring over 150 vendors annually. From fresh produce and handmade goods to global flavors and local favorites, the market continues to thrive as a rich tapestry of diverse offerings and proud local traditions.

Letter from the Executive Director:

This past year has been a remarkable chapter in our organization's history as we celebrated our 35th anniversary. Reaching this milestone is a testament to the dedication of our staff, the generosity of our supporters, and the strength of our community partnerships.

We have made significant strides in stabilizing our staffing, ensuring that our programs are delivered with consistency and care. Our financial position remains sound, thanks to careful management and the steadfast support of our donors and partners.

Perhaps most inspiring has been the deepened collaboration with our community partners. Together, we've expanded our reach and impact, addressing challenges and seizing opportunities in innovative ways.

As we reflect on 35 years of mission, I am confident that our strengthened foundation will allow us to continue building a brighter future for those we serve. Thank you for being an essential part of this journey.

In partnership and gratitude,
Lisa Stephan
