OUR MISSION

SCIO is a spiritually based organiation in Sheboygan. Our shared values bring us together to education and advocate for social justice, dignity, and to improve the quality of life for all people. We bridge the gap between community needs and partner resources.

SCIO
Sheboygan County Interfaith Organization

Stewardship

This year, I commit to stewarding what has been entrusted to me—
the mission, the resources, the relationships, and my own well-being.
I will act with care rather than haste,
with courage rather than fear,
and with gratitude rather than scarcity.
I do not need to carry everything alone.
My work is to tend faithfully, listen deeply, and respond with wisdom.
What I nurture today becomes hope for tomorrow.
